<i>Lactococcus lactis</i>	2.0 x 10 ⁵ CFU/ml
<i>Bacillus subtilis</i>	3 x 10 ³ CFU/ml

Inert Ingredients: 99.99% (water based culture medium)

Information regarding the contents and levels of metals in this product is available at: <http://www.aapfo.org/metals.html>

INTENDED USE: Synergro[®] Organic is a proprietary blend of beneficial microbes, which help sustain robust plant growth, and enhance yield in a broad spectrum of crops. Regular use improves soil bio-diversity.

FOR USE IN ORGANIC AND NON-ORGANIC FARMING

A high performance tool for organic growers.

PRECAUTIONARY STATEMENTS:

Wear dust mask. Wear protective gloves. If allergic reaction occurs, seek medical attention.

FIRST AID:

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE:

When used as directed, Synergro[®] Organic is safe for use on all crops. Shake container or agitate tote prior to using product.

ORGANIC:

- 2-4 quarts/acre applied at transplant, soil drench, with fertilizer or in irrigation.
- Apply product 2-6 times throughout the growing season, either with fertilizers or alone, on a regular interval. Early crop cycle applications are preferred, but not in all crops.

CONVENTIONAL (NON-ORGANIC):

- 1-4 quarts/acre applied at transplant, soil drench, with fertilizer or in irrigation.
- Apply product 2-4 times throughout the growing season, either with fertilizers or alone, on a regular interval. Early crop cycle applications are preferred, but not in all crops.

For specific instructions on different plant species and applications, contact your local Concentric Ag field representative. For more information, you may also seek the advice of the county extension agent or a professional agricultural consultant.

Product expires at the date printed on the lower right corner of this label.

STORAGE & DISPOSAL:

For enhanced product shelf life, store at ambient temperature out of direct sunlight. Protect from freezing. Store in the original sealed container. Keep tightly closed when not in use. Once the container is opened, use all contents before expiration date. Dispose of unused product and container in accordance with federal, state and local regulations.

NOTICE TO BUYER:

To the extent consistent with applicable law, seller warrants that this product conforms to description on the label only when used in accordance with directions under normal conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to the seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no warranties, expressed or implied.
